

Engineering Clubs, Teams & Societies

Why Should I Join Clubs?

Joining a club opens doors to competitions, conferences, and industry events, boosting practical skills and connections with employers. Clubs also offer a fun, social scene, perfect for making friends and trying new activities. Through teamwork, members learn and grow together, enriching their academic and personal journey. It's not just about studying, joining a club is about gaining experience, connections, and having a blast along the way.

Resources To Get Involved

Whether you're leading a club or eager to join one, the McMaster Engineering Society is your go-to hub for information! Visit their website for a directory of Clubs and Teams, advertising and expense reimbursement forms, diversity & inclusion training, and more. Plus, find a comprehensive list of contacts for any questions or concerns you may have!

How Does the Centre Support Clubs & Teams

The Centre for Career Growth & Experience offers all kinds of support for all 76 ratified Clubs & Teams. This includes event and industry night support, requests for swag/gift bags, and other logistical assistance! We are committed to fostering strong relationships with student clubs and are here to assist in any way we can.

What Clubs Can I Join?

- MAC Formula Electric
- MAC RoboMaster
- Mac Eng Rugby
- MacSmiths
- McMaster Advanced Space Systems
- McMaster Aerial Robotics & Drones Club
- McMaster Aerospace Team
- McMaster American Indian Science and Engineering Society Chapter
- McMaster American Indigenous Science and Engineering Society
- McMaster Autoplow
- McMaster Bachelor of Technology Association
- McMaster Baja Racing
- McMaster BioDesign
- McMaster Blockchain Club
- McMaster Brewing Club
- McMaster Chem E Car
- McMaster Chemical Engineering Society
- McMaster Civil Engineering Society
- McMaster Competitive Programming
- McMaster Computer Science Society
- McMaster Concrete Canoe
- McMaster Deep Space Analogue Research Expedition
- McMaster DeltaHacks
- McMaster Design League
- McMaster EcoCar
- McMaster Electrical and Computer Engineering Society
- McMaster Energy Association
- McMaster Engineering and Management Society
- McMaster Engineering and Society Students' Association
- McMaster Engineering Concrete Toboggan Team
- McMaster Engineering Custom Vehicle Team
- McMaster Engineering Jazz Band
- McMaster Engineering Musical
- McMaster Engineering Physics Society
- McMaster Engineering Society
- McMaster Engineers with Disabilities
- McMaster Engineers Without Borders
- McMaster EngiQueers
- McMaster Exoskeleton Team
- McMaster Google Developer Student Clubs
- McMaster HealthHatch
- McMaster Heavy Construction Student Chapter
- McMaster iBioMed Society
- McMaster Institute of Electrical and Electronics Engineers Student Branch
- McMaster Institute of Transportation Engineers Student Chapter
- McMaster Interdisciplinary Satellite Team
- McMaster Leading Edge
- McMaster Mars Rover Team
- McMaster Materials Science and Engineering Society
- McMaster Mechanical Contractors Association Hamilton Niagara Student Chapter
- McMaster Mechatronics Society
- McMaster Medical Engineering Design Team
- McMaster National Society of Black Engineers
- McMaster North American Young Generation in Nuclear
- McMaster Pumpkin Chunkin
- McMaster Quantum Club
- McMaster Rocketry
- McMaster Seismic Design Team
- McMaster Society for Engineering Research
- McMaster Society of Mechanical Engineering
- McMaster Software Engineering Society
- McMaster Solar Car Project
- McMaster Start Coding
- McMaster Steel Bridge Team
- McMaster Sumobot Club
- McMaster Troitsky
- McMaster Women in Engineering
