<p>3. Select appropriate models and methods and demonstrate the ability to design, analyze, compare and optimize production processes and plant layout options</p>	
<p><b>POLICIES</b></p>	
<p><b>Anti-Discrimination</b></p>	
<p>The Faculty of Engineering is concerned with ensuring an environment that is free of all discrimination. If there is a problem, individuals are reminded that they should contact the Department Chair, the Sexual Harassment Officer or the Human Rights Consultant, as soon as possible. <a href="https://equity.mcmaster.ca/documents/anti-discrimination-policy.pdf">https://equity.mcmaster.ca/documents/anti-discrimination-policy.pdf</a></p>	
<p><b>Academic Integrity</b></p>	
<p>You are required to exhibit honestly and use ethical behaviour in all aspects of the learning process. Academic credentials you earn are rooted in principles of honesty and academic integrity.</p>	
<p>Academic dishonesty is to knowingly act or fail to act in a way that results or could result in unearned academic credit or advantage. This behaviour can result in serious consequences e.g. the grade of zero on an assignment, loss of credit with a notation on the transcript (notation reads: "Grade of F assigned for academic dishonesty"), and/or suspension or expulsion from the university.</p>	
<p>It is your responsibility to understand what constitutes academic dishonesty. For information on the various kinds of academic dishonesty please refer to the Academic Integrity Policy, located at: <a href="http://www.mcmaster.ca/policy/Students-AcademicStudies/AcademicIntegrity.pdf">http://www.mcmaster.ca/policy/Students-AcademicStudies/AcademicIntegrity.pdf</a>.</p>	
<p>The following illustrates only three forms of academic dishonesty:</p>	
<ol style="list-style-type: none"> <li>1. Plagiarism. e.g. the submission of work that is not own or for which other credit has been obtained</li> <li>2. Improper collaboration in group work</li> <li>3. Copying or using unauthorized aids in tests and examinations.</li> </ol>	
<p><b>Requests for Relief for Missed Academic Term Work (Assignments, Mid-Terms, etc.)</b></p>	

The McMaster Student Absence Form is a self reporting tool for **Undergraduate Students** to report absences that last up to 5 days and provides the ability to request accommodation for any missed academic work. Please note, this tool cannot be used during any final examination period.

You may submit a maximum of 1 Academic Work Missed requests per term. It is YOUR responsibility to follow up with your Instructor immediately regarding the nature of the accommodation.
