

Graduate Co-op (SEAS students)
Co-op Confirmation – Supplementary Form

Students enrolled in graduate level research-based programs who are participating in the co-op program are required to consult their supervisor throughout their co-op job search and prior to accepting an offer of employment. This measure is in place to safeguard a student's involvement on a research team and to mitigate research security risk for graduate supervisors and the university.

Employment Details

(as provided in the co-op confirmation form)

Job title:

Company name:

Job location:

Student Acknowledgement & Signature

I acknowledge that I have notified my supervisor of my job applications and have discussed with them my employment offer for the above position.

Student signature

Graduate Supervisor Acknowledgement & Signature

I acknowledge that I have reviewed my student's employment offer for the above position and I grant approval for the student to accept this position.

Supervisor signature

After this form is signed by both parties, it should be submitted by the student along with their co-op confirmation form to thecentre@mcmaster.ca for review, approval and processing.
