Think McMaster Engineering and partner with Engineering Co-op and Career Services

Engineering Co-op & Career Services (ECCS) connects students with employers, offers career development tools and resources, and provides opportunities for students to gain employment experience.

The McMaster Engineering Co-op program is flexible, and designed to work around your needs. This allows students to apply for co-op jobs that fit best with their courses, personal life, and desired experience. Students are permitted to complete up to 24 months of co-op/internship experience prior to graduation if desired.

If you join the Co-op program, you have the option of applying for the following:

- 4-month summer terms (May to August)
- one 8-month consecutive term (September to April)
- one 12- to 16-month consecutive term (January to December, May to April/August, September to August)

All McMaster engineering programs include the Co-op option; however, co-op is not mandatory for graduation.

**STATISTICS ABOUT CO-OP**

- Annually, on average, there are 1,700 undergraduate students participating in co-op
- 45% of our students work on 4-month work terms, and 55% of students complete work terms ranging from 8-16 months
- 80% of all co-op work terms are located within two hours of campus, and the overwhelming majority are in the Greater Toronto Hamilton Area (GTHA). The largest geographical clusters outside the Golden Horseshoe area are Ottawa, Alberta, and British Columbia.

**EXAMPLES OF COMPANIES**

Engineering and Computer Science Co-op students undertake work terms with prestigious companies, including:

- Aecon Group Inc.
- ArcelorMittal Dofasco
- BlackBerry
- Celestica
- CIBC
- Chrysler
- Ford Canada
- GE Canada
- General Motors
- Husky Injection Molding Systems
- Hydro One
- IBM Canada
- John Deere
- L-3 Wescam
- Linamar Corporation
- Maple Leaf Foods
- Ontario Power Generation
- Rockwell Automation
- Stackpole International
- Stem Cell Technologies
- Suncor Energy
- Toronto Hydro Corporation
+ More!

**CAREER SERVICES**

ECCS offers a wide range of services available to all students registered in the Faculty of Engineering:

- on-campus recruitment
- professional & career development workshops
- job search strategies
- one-on-one counselling sessions
- employer information sessions

98.5% of employers would recommend hiring a McMaster Engineering Co-op student

92% of students were rated above average for workplace performance

ECCS is located in Engineering Student Services in the John Hodgins Engineering building (JHE H306).

We are available Monday to Friday between 9:00 a.m. and 4:00 p.m.

You can reach us at (905) 525-9140 ext. 22571 or engcoop@mcmaster.ca

Bachelor of Engineering – Civil Engineering

Civil engineering is the technology of planning for, and safely designing, constructing, maintaining and rehabilitating community infrastructure. Civil engineers design and construct many facilities that are critical to our society, including buildings, bridges, roads, and water and wastewater systems. Civil engineering students examine how to employ new materials and procedures to improve the development and sustainability of community infrastructure.

TOP EMPLOYERS
• Aecon Group
• City of Hamilton
• City of Toronto
• Dufferin Construction
• Ellis Don
• Government of Ontario
• Halton Region
• Hatch Ltd.
• Maple Reinders
• Metrolinx
• McMaster University
• McNally Construction
• Miller Paving
• The Ministry of Transportation
• PCL Construction
• PNR RailWork
• The Regional Municipality of Peel
• R.V. Anderson Associated Ltd.
• Sobotec
• Stantec
• Toronto Hydro Corporation
• Walters Inc.
• WSP Inc.

WHAT JOBS HAVE STUDENTS RECEIVED?
• Student Estimator
• Technical Assistant
• Construction Inspector
• Quality Assurance Assistant
• Project Coordinator
• Field Technician

AVERAGE SALARY
The average salary for Faculty of Engineering students on a long-term co-op for the 2017/2018 year was $22.50 /hour.

HOW DO EMPLOYERS GET INVOLVED ON CAMPUS?
• Employer of the Week series
• Information sessions
• Career fairs
• Industry nights
• Drop-in sessions
• Off-campus field trips
• Mock interview nights
• Employer panels
• Capstone projects
• Career workshops

4-16 month co-op terms available
