Student Acknowledgement

I understand that to participate in the co-op option, I must be a full-time graduate student and in good academic standing in the Faculty of Engineering. I also confirm that all academic requirements related to course work, comprehensive examinations (doctoral), and any annual milestones such as supervisory meetings will be completed before starting to work in a co-op job opportunity and understand this will be verified with my Department Administrator. Changes to student status or failure to complete all academic requirements may result in termination from the co-op option, at the discretion of the Program Supervisor or the Associate Dean, Graduate Studies.

- **MASc/MSc and MEng** - I understand that I must complete a minimum of 2 academic terms prior to going out on a co-op term.
- **Ph.D** - I understand that I must complete my comprehensive examination prior to going out on a co-op term.

I also understand that I must return to fulltime studies in the term following a co-op work term. It is my responsibility to review my course calendar to ensure that I am fulfilling my degree requirements. In requesting registration in the Graduate Engineering co-op option, I understand and agree to all of the above and agree to keep my profile up-to-date with the graduate co-op office (ECCS) and online through OSCARplus. I confirm that I have logged into OSCARplus (<https://oscarplumcmaster.ca/home.htm>) and activated my account **before** completing this form.
